

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph beginning on line 14 of page 16 as follows:

1
In the disclosure and in the claims the term “anchor” shall refer to a bookmark, link, note, or indication that refers to a particular location, file, object, or piece of information. Furthermore, in the disclosure and in the claims, the term “node” shall refer to an object or piece of information that may be associated with another object or piece of information. Examples of nodes include a conceptual node and an associated node, wherein the associated node relates in some fashion to the conceptual node, as will be further discussed below. Also, in the disclosure and in the claims, the term “object” shall refer to any type of information that may be processed on an electronic medium, including text, sound, graphics, video, and any other data, file or information.
